United Nations Environment Programme

146th CPR

- **146th CPR meeting considered option paper**

- **Requested the Secretariat to submit to its next regular meeting:**

i. **a revised options paper based on comments received from Member States by the 30 June deadline, and;**

ii. **a proposal for the monitoring mechanism for consideration.**

UN environment
United Nations Environment Programme

6th Annual CPR Sub-Committee

- **Additional guidance to the Secretariat and agreement to continue consultations.**
- **On the reporting options, initial preference was expressed for options two: Rationalization and three: Minimalistic**
- **No additional comments were received by the 11 November deadline.**

Proposed Reporting Options

Option One: Improved Status Quo

Option Two: Rationalization

Option Three: Minimalistic

6th Annual CPR Sub-Committee

Utilize
- Existing monitoring instruments as far as possible

Consider
- Cost-effectiveness of exercise and reporting burden

Consult
- Member States on how the web-based tool will respond to their oversight needs

Build
- Voluntary reporting by Member States on other exercises such as MEAs or SDG Voluntary National Reports

Monitoring Mechanism

- **The Secretariat continues work on content development and technical ICT components.**
- **This work includes resolution links to the Programme of Work, projects, and SDGs and their targets.**
- **Progress on development of ICT components.**

Monitoring Mechanism

- **Feedback on proposed parameters is important as it may impact backend design on which the mechanism is based**
- **Roadmap to be updated following today's discussion**

Seeking your guidance

- **Which reporting option would you prefer?**

- **Do you wish to make any specific changes to the proposed parameters for voluntary reporting by Member States and for Secretariat reporting?**

Thank you
