Inventory of scientific environmental assessments led and supported by the United Nations Environment Programme (2009–2011)

Note by the Executive Director

1. The present note supplements the information provided in document UNEP/GC.26/4.

2. A detailed inventory has been produced of all the assessments led and supported by the United Nations Environment Programme since the twenty-fifth session of the Governing Council. The inventory also provides updated information on those assessments in progress. The assessments are classified under each of the six subprogrammes of the programme of work of the United Nations Environment Programme and within each subprogramme they are classified from global to local in terms of their geographic scope.

3. The inventory is available from www.unep.org/gc/gc26/info_docs.asp by clicking on the link for document UNEP/GC.26/INF/13.
