

Ministerial Declaration

To amend point e) in Main priority 2

We agree to define priority actions in order to guide the tourism sector towards enhanced sustainability to avoid loss of biodiversity and preserve ecosystems, in particular mountain, coastal and marine ecosystems while supporting sustainable livelihoods (in line with SDG 15.1 and 15.4).

To add new point in Main priority 2

We agree to define priority actions beyond 2020 to strengthen conservation, restoration and sustainable use of all types of forests, halt deforestation, restore degraded forests and substantially increase afforestation and reforestation globally (in line with SDG 15.2 for period after 2020)

To add new point in Main priority 2, after point g)

We commit to significantly reduce quantities of all types of marine litter (beach, floating, seafloor and microplastics), including achievement of reduction target for beach marine litter of 20% by 2024 (in line with SDG 15.1 and 15.2)

To add new point in Main priority 2

We agree to define priority actions beyond 2025 aimed at reduction of marine pollution, in particular by preventing further adverse impacts of marine debris and nutrient pollution (eutrophication) (in line with SDG 15.1 and 15.2)

To add new point in Main priority 2

We agree to support sustainable management of coastal zone resources and encourage blue economy in particular by applying tools of integrated coastal zone management (in line with SDG11.3, SDG 14.7, etc.)
