## **UN Environment Programme engagements at events under the UN Habitat Assembly**

Following a Member State request made at the Subcommittee meeting on 7 May, this note presents an overview of how the UN Environment Programme is engaging with UN-Habitat at its first Assembly in Nairobi 27 – 31 May 2019.

Engagement is grounded in the longstanding cooperation with UN-Habitat under the Greener Cities Partnership, responds to the UN system-wide strategy on sustainable urban development in which the UN Environment Programme was involved as a member of the task group, and builds on the Cities Summit held at the fourth session of the UN Environment Assembly jointly organized by UN Environment Programme together with UN-Habitat and key city and local government networks. The activity report of the Greener Cities Partnership is part of the official documents in support of the upcoming UN-Habitat Assembly.

Key engagements of the UN Environment Programme in the Habitat Assembly include the following.

### **1. Participation of the Acting Executive Director**

Ms. Joyce Msuya, Acting Executive Director of the UN Environment Programme, will participate in the following sessions:
