Dear Sir/Madame,

I am applying to join the Global Mercury Partnership.
The Centre Africain pour la Santé Environnementale (CASE) has the following as its core values.

- Artisanal and small-scale gold mining;
- Mercury in products;
- Mercury waste management;

On that note, we intend to contribute in the partnership via the experience and work we are performing in the previous sectors related to mercury listed above.

Our organization have been in existence since 2016 and our executed works in Mercury included support to:

- Opening of mercury-free dental clinic in Abidjan Côte d'Ivoire
- Change of curricula in dental school with priority to mercury-free alternatives in restorative dentistry
- National Action Plan for mercury reduction in Artisanal and Small-scale Gold Mining developed in Madagascar, Guinea and Niger
- Minamata Convention on mercury ratified by Côte d'Ivoire and Congo

I hope my application to be a member will be considered to contribute my quota in the elimination of Mercury from the environment.

Please find attached my registration documents and some works done for your perusal.

Counting on your usual cooperation.

Yours faithfully,

Dominique Bally KPOKRO
Centre Africain pour la Santé Environnementale - Chairman
