### Meeting of the Committee of Permanent Representatives to the United Nations Environment Programme 152<sup>nd</sup> meeting

Nairobi, 19 November 2020

13:00 – 15:00; 15:30 – 17:30 (GMT+3)

### **Agenda Item 7(a): Preparations for the fifth session of UN Environment Assembly: Structure of UNEA-5**

Following the consideration of the timing and format of the fifth session of the UN Environment Assembly in view of COVID-19 by the [UNEA Bureau](#) at its meeting on 8 October, the UNEA Bureau decided to support the [proposal by the UNEA President](#) to adopt a “two-step” approach that will allow for the convening UNEA-5 in February 2021 at the dates previously agreed in a virtual format with a revised and streamlined agenda. The UNEA Bureau also requested the Secretariat to propose a structure for a virtual session of UNEA-5 in February 2021 for consideration at the 7<sup>th</sup> annual subcommittee and thereafter, on the basis of feedback from Member States, to the next meeting of the Joint Bureaux of UNEA and of the CPR, scheduled for 1 December 2020.

At the [7th annual subcommittee](#) held from 12 – 16 November 2020, there was also a broad agreement with the “two-step approach” that would allow for a virtual session of UNEA-5 to be convened in February 2021 followed by a resumed session of UNEA-5 in February 2022.

This note outlines a revised draft structure for the virtual session of UNEA-5 to be held from 22 to 24 February 2021 and a proposed distribution of agenda items between the virtual and resumed session of UNEA-5.

In particular it is proposed that the virtual session of UNEA-5 consists of one opening plenary, one high level opening, one multistakeholder dialogue, two leadership dialogues and one adjournment (wrap-up) plenary.

The proposed themes of the two Leadership Dialogues are: I. “Strengthening Actions for Nature to Achieve the Sustainable Development Goals” (the overarching theme for UNEA-5), and II. “Building back better and supporting a stronger UNEP”.

Member States are invited to consider the draft provisional agenda and proposed structure for the virtual session of UNEA-5 and provide feedback and guidance with a view to facilitate further consideration of this matter at the next meeting of the Joint Bureaux of UNEA and of the CPR, scheduled for 1 December 2020.
